Memo

Letter No. 11 dated 9th July 1898 from the Deputy Comr., Mysore &c.

The Dy Comr of Mysore submits for orders a representation from Mr Rangaswami Pillay, Hony Asst Surgeon in charge of the Indigenous Hospital, Mysore, complaining that his charge allowance of Rs: 15 per mensem has been retrenched by the Comptroller on the authority of Govt Pro: No. 15185–86/FA 1227 dated 19/5/98 which declared that Asst and Sub Asst Surgeons are not entitled to draw the charge allowances given to Hospital Assts in charge of Local Fund Dispensaries.

S: 29 in Part I

Mr Rangaswami Pillay has been for many years past drawing a charge allowance. In 1893 when he was Senior Hospital Asst in charge of the Indigenous Hospital, the allowance was fixed at Rs: 15 per mensem

No D 4-5/2779-92 d: 7 Oct/93

On 23rd October 1896 Mr R. Pillay's pay was raised from Rs 90 to 150 and his designation changed into "Supdt of the Mysore Indigenous Hospital." Nothing was said then about the allowance, so he continued to draw it.

Pro Camp No. 54-56 d: 23/10/96
Sl. No. 10 in Part II

At the revision of the Medical Establishment made in Sept 1897, Mr R. Pillay was made Hony Asst Surgeon, 4th Class, on Rs: 150, the same pay as before.

In para 9 of the order on the revision scheme it was said that no allowances other than those included in the consolidated salaries now fixed, will be affected by this revision" — Under this proviso Mr. R. Pillay could have continued to draw his former allowance of 15 Rs:, but for the ~~fact that in~~ the Pro: of 19th May last refer to in para 1 above ~~it was included~~

Mr. Rungasami Pillay points out that the Pro: in question cannot be held applicable to his case, that he drew the allowance even after he attained the pay of Rs: 150 in Oct/96, that he was given no increase when he was made Hony Asst Surgeon in Sep 1897 and that Govt did not intend that he should be a loser by the change.

Under the above peculiar circumstances, Mr. Rungasami Pillay may, it is submitted, be allowed to draw the allowance of Rs: 15 p.m. as a special case.

The direction proposed to be laid down in para above is already to be found in para 8 of the Govt. of 23/9/97 which provides for the abrogation of Honorary Asst Surgeons and Apprentices in due course to higher classes in the Lower Grades

No length of service as Hon Asst Surgeon would entitle him (Hospital Assistant) to promotion to an Honorary Assistant Surgeon. For an explanation of the expression "in due course" reference may be made to the rules of promotion laid by Apprentices & Civil Apprentices - Govt laid down

in rows 5-6 of
the Pyo: Quoted above

I think there ought to be
diffce between the
case of an Hosp Asst and Surgeon
and that of an Army and
Navy Surgeon. The latter
enters the Service
and must therefore wait

for a vacancy for promotion - while in the former case the Navy steps in from an inward to fast Navy service - as in the case of an Extra and Commander - to affect the term "due course" in them can would be indefinite. They are already men of long service who promotion after a fixed period will be a great boon. It is in this view I was disposed to support the views taken by Col Hewson and Mr Gray down a clause with the effect that in the case of Navy and Army surgeons of Navy but not Army surgeons promotion will be from date of 3 yrs after service. 14.11.99

SIR,

I have the honor to submit for the favorable consideration of Government copy of letter No 83 of the 3d instant from the Honorary Assistant Surgeon in charge of the Indigenous Hospital at Mysore, complaining that under instructions from the Comptroller Rs 105 has been retrenched from his pay for June 1898, being the allowance at Rs 15 per mensem, from October 1897, drawn by him for being in charge of the Indigenous Hospital, on the ground that Asst. Surgeons and Sub Assistant Surgeons are not entitled to the allowance in question

Mr. Rangasami Pillay's elevation to the graded service has not given him any increase to his pay but resulted in the withdrawal of the allowance which he has been drawing ever since he was placed in charge of the Hospital which, I consider is hard and I therefore recommend that either his pay be increased or the allowance continued

Dear Surgeon Major

Re Rungasawmy Pillay being given an increase of Rs 50/- per mensem I personally have no objection but I fail to see by what rule or order he is entitled to it. Assistant Surgeons are entitled to an increase of Rs 50/ pay every 3 years. Rungasawmy Pillay is an Honorary Assistant Surgeon and Consequently his increase in pay should be given him the same as other Assistant Surgeons, which in my opinion is the only rule we can be guided by. This would entitle him

to

to an increase of pay on 1st October 1900 If however Government wish to give Rungasamy Pillay an increase of pay after having put in 3 years service on his present pay which Commenced in July 1896 so that he becomes entitled to an increase of Rs 50/- in July 1899 bringing his salary up to Rs 200/- Similarly in 1902 he will be entitled to another increase of Rs 50/-. If this be adopted there can be no possible objection as there is a distinct ruling on the subject

I trust you will agree with me on this point and sanction his increase in July 1899 or only 6 months hence

Sir,

I have the honor to submit for orders of Government three accompanying two Applications received from Dr P Chengalroya Rood= 1st Class Honorary Sub Assistant Surgeon of the Nanjangud Dispensary praying that for the reasons stated by him he may be promoted to the Assistant Surgeoncy 4th grade.

(2) Dr P Chengalroya Rood= reckons him on the Vacancy Caused by the promotion of Dr T Ringasawmy Pillay to 3rd Grade Assistant Surgeoncy, but I am afraid that the Codal rules do not admit of this being done

Above list I may recommend that
Deserving as he is for promotion to the
next higher grade on account of
his popularity and efficiency in
the discharge of his work he may
be promoted to the 4th grade
Assistant Surgeoncy on Rs. 150/
per mensem After the expiration
of 3 years in his present grade
which will expire on 23rd September
1900 same as was observed in the
Case of Dr of Rungasawmy Pillay.

Put up
Kuru Sept

(3) It will be seen from the Proceedings of Government No: 3868-9 Dis 736
of 23rd September 1897, sanctioning the revision of the Medical Establishment of the State that no period for the promotion of Honorary Sub Assistant Surgeons has been fixed but following the precedent of Dr of Rungasawmy Pillay it may be limited to 3 years

At

At the end of which they may be promoted to the next higher grade provided always that by their efficient work and merit they deserve such a Concession

(4) Both the Deputy Commissioner and the Civil Surgeon Hyaore District speak well of H.E.'s Changaiz Khan

I have the liberty of enclosing herein a copy of my Petition to the Senior Surgeon of the Circle humbly requesting you to kindly recommend me for promotion as Senior Surgeon as you have had opportunities of judging of my work and qualifications. I beg to state that I have looked into the rules framed during the reorganization of the Medical Department in 1896 and found that the 3 years' rule applies only to the Assistant Surgeons and not for promotions among persons who are in the grade of Assistant Surgeons. Begging to be excused for the trouble

Most Honourable Sir,

I beg most respectfully to bring the following lines to your favourable Consideration and acceptance.

Having matriculated, I entered the Madras Medical Department in 1869 for the grade of Military Apothecary but failed at the final Examination for want of one mark (as Madras Medical College report of 1873 will show) and owing to an order of the Govt. of India of 1872 I was being a native of India, prevented from trying a second chance.

In May 1874 I (Acting Deputy Inspector General) entertained here in the Mysore Service as Second Class Hospital Asst. in consideration of my higher qualification and having drawn a fixed Stipend of R. 40 + 11/4 51 1/4 and on my passing the Departmental Examination I was promoted to the First

Class of Hospital Assistants 5th

I was incharge of Civil Dispensary at Closepet for eleven years Hunsur 3 years Nanjangud 5 1/2 years. Acted twice for some months as Medical Officer of the Kadur District I was also in full Charge of the Maternity at Bangalore for about 8 months and B.E. Boring Civil Hospital for about a year and was incharge of Chitaldroog Civil Hospital and Dispensary for 1 1/2 years on the Special recommendation to the Government of Mysore by the Senior Surgeon with a Special Allowance of Rs 30 a month. In 1887 in appreciation of my long and meritorious Services I was promoted to the 3rd grade of Senior Hospital Assistants by the Kind recommendation of the Senior Surgeon

In 1887 (September) when the Medical Department was reorganised through your Kind appreciation of my long Services and qualifications I was appointed Honarary Sub Assistant Surgeon of the 1st Class Although I was an applicant for

an Assistant Surgeon Ship.

My Services in the late famine were kindly recognised by Government (Pro. C.C No 2200 dt 9th July 1878) wherein I have been doing very hard work in connection with Plague preventive measures at Nanjangud and I have discharged the onerous and responsible duties with Care & assiduity to the entire satisfaction of my Superiors and the Public.

I am given to understand that Mr Pungaswamy Pillay as he possesses the rank of Honorary Assistant Surgeon 3rd grade and I humbly beg that you will kindly take into Consideration that I have put in about 25 years Service and that my retirement is not distant and any increase of Pay that I may get will enable me to get a little pension which would be a kindly help by a benign Government to me in old age weighed down by family Cares and wants and recommend me to Government for the 4th grade Honorary Assistant Surgeon Ship left Vacant by the Elevation of Mr Pungaswamy Pillay

a higher grade. The increase I beg to
seek will give me an increase of £0.30
and

Humbly praying that you
will with your usual Kindness and large
heartedness support my humble petitions.

I beg to remain,
